## Community Services Block Grant Program

The CSBG Program's goal is to promote the self-sufficiency of low-income American Indian people residing off-reservation in the counties of Del Norte, Humboldt, Trinity, Siskiyou, and Butte through the provision of emergency services.

CSBG assistance is limited to those in need of emergency or supportive services when no other resources are available.

NCIDC has funds for emergency services as well as CARES funds for pandemic-related assistance.

*To qualify for assistance, you must provide:*

- Proof of Native American heritage.
- Verification of household income for the prior six-month period (below poverty level according to federal guidelines).
- Verification of current household income sufficient to sustain suitable living conditions.
- Proof of residency in service area (off-reservation or off-rancheria).
- Proof of being at least 18 years of age or verification of being an emancipated youth.
- Detailed explanation of unplanned and/or unintentional circumstances that resulted in emergency situation.

*Types of Emergency Assistance:*

- Housing assistance provided for relocation or eviction prevention.
- Utility assistance provided for disconnection prevention, or service reconnection, or for the purchase of wood or heating fuel.
- Nutrition assistance provided for limited food resources.
- Supportive services provided for vocational education and employment.

## NCIDC Mission Statement

The Northern California Indian Development Council works to meet the needs of American Indian communities by researching, developing and administering social and economic development programs. NCIDC will provide support and technical assistance for the development of such programs in addition to working to conserve and preserve historic and archeological sites and resources.

NCIDC will work to foster culturally appropriate communication and services needed by American Indian people to achieve self-determination in the economic, social service, cultural, educational, employment and related fields.
