- ***Graduation Necklaces for Title VI***
- ***DNIEC Summer Program***
- ***Summer Garden Success***
- ***Chromebook Giveaway***

DNIEC's Collaboration with Title VI: 8th Grade Graduation Necklaces

DNIEC collaborated with Title VI American Indian Education Program by making necklaces for every American Indian eighth-grade graduate in Del Norte County. The necklaces were made with local, Native American materials such as dentalium, pine nuts, olive shells, and beads.

DNIEC's Gardening Update

DNIEC's summer garden is thriving! DNIEC's garden includes cilantro, spinach, tomatoes, cucumbers, and potatoes. Students are taking fruits and vegetables that they grew at DNIEC home and preparing healthy food with their families.

In addition to the summer garden, DNIEC will also have individual, portable gardening projects that the students will take home with them.

DNIEC's Summer Program

DNIEC's six-week summer program has begun!

DNIEC's summer program is Monday-Thursday between 10:00am-2:00pm.

Lunch is provided.

Activities include cultural presentations, local field trips, art projects, gardening, and STEAM activities. For more details, please see the contact info below.

DNIEC's 8th-Grade Graduates 2020-21

DNIEC congratulates our two eighth-grade graduates, Phoenix Dowd and Ayden Ramirez! Phoenix Dowd graduated from Crescent Elk Middle School and Ayden Ramirez graduated eighth grade from Unchartered Shores Academy. We look forward to supporting their future academic endeavors!

DNIEC Chromebook Giveaway

DNIEC is collaborating with the California Department of Education and is giving away free Chromebooks to all enrolled students with updated files.

DNIEC families will also receive information on how to use the Chromebook and a resource for cheaper internet services.

If you are interested in receiving a free Chromebook for your child, please contact DNIEC at the number below and update their file.
