

Northern California Indian Development Council

Classroom Training

The Classroom Training program is designed to assist the Workforce Investment Opportunities Act (WIOA) Customers to attain the educational skills needed to become better prepared, and more competitive in the labor market. Such educational skills are gained through remedial education classes, attainment of General Education Diploma certificate (GED), or a vocational education curriculum, which leads toward a vocational education certificate of completion, in a specific field of employment.

The NCIDC Employment and Training Counselor develops the curriculum for each Classroom Training Customer, in consultation with the Customer; to best meet, the training needs of the individual Customer and reduces artificial barriers to employment. Upon completion of the classroom-training curriculum the Customer should be better prepared to obtain and maintain gainful employment.

Examples of Classroom Trainings:

- Truck Driving
- Health Care
- Beauty Trades
- Construction Trades
- Automotive Trades

NCIDC Mission Statement

The Northern California Indian Development Council works to meet the needs of American Indian communities by researching, developing and administering social and economic development programs. NCIDC will provide support and technical assistance for the development of such programs in addition to working to conserve and preserve historic and archeological sites and resources.

NCIDC will work to foster culturally appropriate communication and services needed by American Indian people to achieve self-determination in the economic, social service, cultural, educational, employment and related fields.
