

**California Alliance for Prevention Funding (CAPF)
Public Health Institute
CA 4 Health
Population Health Innovation Lab
Northern ACEs Collaborative**

invite you to a convening to showcase a new proposal advocating for sustained, dedicated funding to promote health equity and prevent the leading causes of illness and death in California.

Please join us to:

- learn more about CAPF's proposal to create a California Wellness Trust
- hear about local programs and their work to promote health equity and prevent chronic disease and injury
- share your organization's need for ongoing funding for public health prevention

**October 30, 2019
10:00am - 1:00pm
Registration begins at 9:30am
Lunch will be provided**

**McConnell Foundation
Lema Ranch
800 Shasta View Drive
Redding, CA**

Register today at www.ca-allianceforpreventionfunding.org
